

Site layout of Town Square. Superfresh to occupy the Block 1 ground floor (Site)

Existing silhouette window in Lafayette Via, detail and placement within the via

Photos of Existing Facades

Gibbs Street façade
at the Lafayette Via

Gibbs Street façade
at second and third
bays

Main entry façade area
from North Washington
Street sidewalk

Main entry door location.
Escalators are behind clear
glass window on the right.
Elevators behind the wall
to the left of the opening.

Area to the left of the main entry door. Closet opening is recommended for translucent glass, rather than spandrel glass.

North Washington Street façade. Superfresh only includes the first bay with the white insert. The niches further north are to be filled in with public art by others.
